Instructions: Place an "X" in the appropriate box; sign completed form & return as indicated below.

Excellent	Satisfactory	Failed	Test Component
			STEADY ON THE LINE. Sits with handler until ordered to seek game. Any physical restraint of the dog must be gentle and prohibits award of the "Excellent" mark.
			QUARTERS EFFICIENTLY. Covers ground in a workmanlike manner within gun range displaying scenting ability and use of the wind. Barking while quartering is objectionable.
			FINDS AND FLUSHES BIRD. Flushes without urging.
			MARKS DOWNED BIRD.
			RETRIEVES ON LAND. Finds and picks up bird, returning briskly to handler.
			RETRIEVES FROM WATER. Voluntarily enters the water, swims to the bird and returns it to handler.
			DOES NOT DISPLAY GUN SHYNESS

### FINAL JUDGEMENT

NOT QUALIFIED	REASON	QUALIFIED	LEVEL OF QUALIFICATION
	"Hard-mouthed". Delivered damaged (chewed/crushed bird.)		<b>WORKING DOG (WD) CERTIFICATE.</b> Dog displayed behavior which would make him a satisfactory companion hunter during a day in the field. He worked within gun range of handler, was under reasonable control and was never a nuisance. Dog can find, flush, retrieve birds from land or water, and does not display gun shyness or hard mouth.
	<b>Did not receive at least satisfactory score in each area.</b>		<b>WORKING DOG EXCELLENT (W.D.X.)</b> Dog displayed all of the above qualities, but in a superlative manner. Dog must deliver to hand on all retrieves, and be steady on the line without restraint for both land and water.
