

TOP JUNIOR HANDLER IN COMPANION AND PERFORMANCE EVENTS

Revised 01/28/2018

The Top Junior Handler in Performance Award is presented annually based upon qualifying scores in any AKC sanctioned performance event, where the handler of the Field Spaniel was a junior handler (under 18). All AKC paperwork is required, including the AKC Junior Handler Number on the entry form, and the Junior Handler form completed and signed by the event secretary upon obtaining the qualifying score. All self-reported qualifying scores will be verified with the AKC, and AKC records will be the final decision for counting these scores towards the award. It is highly recommended that you attach photocopies of your AKC paperwork with this form.
